PRICING AND TIMING

01

LANGUAGES

All orders are priced individually after sending files for translation. We work with the fixed team of translators, so you can be sure that the texts will be consistent in terms of style and terminology.

We translate from:

English
German
Swedish
Russian

to Polish, and vice versa.

A large yellow circle is centered at the top of the page. Four yellow triangles of various sizes are scattered around the page: one in the top-left, one in the top-right, one in the bottom-left, and one in the bottom-right.

WHY EXTREME?

We are a team of extreme, enthusiastic translators ready to work at any time of the day or night, waiting for new, interesting challenges.

We prepare texts in the sweat of our brows, in front of the computer screens with thousands of open tabs and dictionaries. Each text we receive is treated with respect, and we look after it like after a child in order not to hurt it.

If you want to entrust us with the care of your valuable text, do not hesitate - we are waiting to take it under our wings.

OUR EXPERIENCE

WHAT DO YOU NEED US TO DO?

We provide various (if not all!) types of translation and interpretation services for:

legal texts (contracts, balance sheets, reports, business correspondence), art catalogues, product descriptions, websites and newsletters, medical documentation, academic articles, and interpreting (meetings, trainings, conferences).

EXPERT QUALITY. IT'S THAT SIMPLE

We are interdisciplinary. Whatever work with words we wish to do (notice the 6 Ws?), we care about accuracy, effectiveness, and style.

We work with professional, reliable translators who use their broad knowledge and skills to create the best-quality texts on time.

Taking the easy way out? Not with us. As soon as you see the effects of our work, you will never leave us.
