FOR

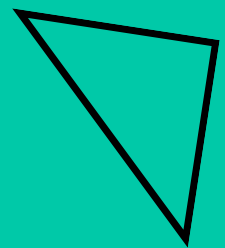

PRESENTATION SKILLS TRAINING

DELIVERED TO YOU BY
LANGUAGE EXTREME
COMMUNICATION EXPERTS

WHO WE ARE

Outspoken communication generals with expertise in teaching, narrative analysis, rhetoric, information architecture, UX, and voice training. Enthusiasts of word and image.

Originating in the Academia, we have gone beyond traditional study methods to take care of the ways people read, write and speak.

With us, communication rocks.

TRAINING PROGRAMME

Two weeks in advance: Pre-Training Activities

Day 1

How to Improvise? How to Prepare?
Information Structure

Day 2

Content, Wording and Visuals
Body Language

Day 3

Voice and Intonation
Meeting Culture
Consolidation

Post-Training (one-two weeks)

Reports, Video Analysis and Development Plan

01

PRE- TRAINING

In pre-training interviews with participants and their managers we determine the role of each participant in their team, define their needs, and explain the logic of training.

Interview

Assigned reading and homework tasks

Why we are doing this

02

THE TRAINING

REAL EFFORT FOR REAL PEOPLE

A 3-day training in which the art of presentation is dismantled into small, digestible, practicable pieces that you will be able to apply to your professional environment. Participants are encouraged not only to make a large communicative effort throughout the training, but also to revise their communication philosophy for future benefit.

DEVELOPMENT FOLLOW-UP

In order to solidify results, a set of follow-up materials is set for participants for post-training period. These include:

- A Reading/Watching List
- A Follow-up Test
- A Written Report + A Video Report
- A Consultation Session

03

PILLARS OF SUCCESS

1. APPLIED THEORY

2. REAL CONTEXT

3. PROBLEM-SOLVING TASKS

4. COMMUNICATION CHALLENGES

5. TEAM-BUILDING SPIRIT
